

September 1, 2010

Dear Families,

Welcome to the second grade class at St. Pius X School. I am very excited to have your child in my class this year. Our days will be full of exciting learning opportunities. Your child heard today about rules and routines which will be enforced in class. It is very important to me that each child has the opportunity to grow academically, socially, and spiritually this year. When children behave properly and turn in their work on time they are helping me, their fellow students, but even more importantly they are helping themselves.

Homework will be assigned Monday through Thursday beginning Tuesday, September 7th. This week the homework will be to read and get their reading log signed. Your child should spend about 15-20 minutes on homework and 15 minutes reading. Please provide the individual attention necessary to see that each assignment is done carefully and that concepts are well understood. Together we can help your child to achieve much this year. If something interferes with homework, please write me a note.

Should anything arise which you have a question or concern about please advise me and I will notify you of any concerns that I have. You may let me know with a note or email. I will try to answer you within 24 hours.

We will begin presentations of summer homework projects beginning Wed. September 8th. Your child may bring in their project any time before that date.

News from our class will be sent home in letter form every two weeks. I look forward to seeing you all on curriculum night September 16th. I have attached a student profile sheet that I would like returned by Friday September 3rd. Please sign below and return this letter by Friday September 3rd.

Sincerely,

Mrs. Louise Moynihan
